Together Everyone Achieves More

3 March 2021

Tēnā koutou katoa

The support we are receiving from you while we are at Level 2 is very much appreciated. Children have been kept home if unwell and, although it is disappointing that swimming and trips to the library have had to be cancelled, the children also realise that we all have a part to play to keep everyone safe.

It's great to see many of our students participating in Moving March and riding wheels to and from school. Students can bring bikes and scooters to school. Helmets are a must for bikes! If anyone has old bikes or helmets to donate, we would love them.

Sue from the Police has been running the Keeping Ourselves Safe lessons this week for all our classes. Ask your children to share what they have learnt with you. I know some have been coming home and learning your phone numbers.

STUDENT LED CONFERENCES - 17 and 18 March

All going well with the COVID response, and we remain at Level 2 or lower, conferences will be held on Wednesday 17 March between 2.30 and 8.00pm and Thursday 18 March from 3.15pm to 6pm. You can make your 15 minute appointment by either popping in to the office or making a phone call to Carol on 04 2985605, an email to admin@kapiti.school.nz or a note to the office sent along with your child. We really enjoy student led conferences as this is a great time for your child to share their learning with whānau and teacher. We hope everyone will come along.

STAFF ONLY DAY - Friday 19 March

A reminder that school will not be open to students on Friday 19 March as staff will be participating in professional development.
