

FREE PERIOD PRODUCTS

We have opted into the Ministry's FREE period products initiative and are expecting our first arrival in the next week or so. We are able to ensure that every girl in our school can get the products every month. There are two ways you can access these - either you or your daughter can pop in and pick up a month's worth of products from Carol or phone/email her and ask for her to get them to your daughter. We will continue to order these regularly depending on the need so we hope you will take advantage of this.

NZEI Union Meeting

School will be finishing early on **Wednesday 30 June at 12:30** due to a paid union meeting for teachers. Please ensure your child is picked up or knows they are to walk home. Let Carol know (admin@kapiti.school.nz or 042985605) if you have difficulty with finding childcare for the afternoon.

Inventionator

Congratulations to Flynn, Lincoln and Amy for their achievements in Inventionator. This was an initiative from CORE education for students to work collaboratively with others around the country. Our students had to work collaboratively, create a pitch and design a new product. Fantastic work!

Head Lice

We seem to have a spate of head lice at the moment. We ask you to please check your child's hair regularly. If you need some head lice products, please contact Carol.

Matariki

Our annual school Matariki event is happening on the last Thursday of the term (8 July) from 5:30pm - 7:30pm. This was a very successful event last year and we look forward to you joining us for some kai and to spend time in classrooms, participating in some fun Matariki events.

School Photos

School photos will be on Friday 9 July which is the last day of term. We look forward to seeing everyone looking sharp for their school photo.

Dental Van

The dental van is visiting us from Thursday 24 June until the end of term (9 July).

Ngā mihi nui

Brent McDowell, Principal

Term Two Assembly

Week	Assembly
8	Te Marama
10	Kereru
